THE PROGRAMME

With the phenomenal increase in destinations and opportunities for technical education in the country, quality improvement has become a key issue in defining the merit of educational institutions and faculty members. Rolling out quality manpower requires the assistance of a very enlightened teaching fraternity. The proposed FDP will facilitate to encourage the linkage of quality research with teaching. Appropriate directions for the current trends in research in Electrical, Electronics and Computing will be exposed so that, potential teachers are inspired to commence with their journey into the arena of research as an outcome of attending the FDP.

ABOUT I.H.R.D.

Institute of Human Resources Development(IHRD) was established in 1987 as the state's first self-financing education institution, the purpose and aim of such an institution was to improve the technical education standards in the state on a cost-sharing basis between public and State Government. The pioneer and catalyst in the ever improving technical education in the State, I.H.R.D. has now under its wings 15 Technical Higher Secondary Schools, 7 Polytechnic Colleges, 44 Applied Science Colleges, 9 Engineering Colleges, 2 Model Finishing Schools and 9 Extension/Study Centers.

ABOUT THE VENUE: COLLEGE OF ENGINEERING POONJAR

COLLEGE OF ENGINEERING POONJAR is an associate institution of Institute of Human Resources Development (I H R D), A Govt. of Kerala undertaking. It carved its name in the academic field well from its beginning in 2000 itself. It has a vibrant community of students and staff bonded together with respect and friendship. Its scenic location and pure air along with the ambience for motivated learning brought it to an respectable position in engineering colleges of Kerala.
