Object of the Amendments:

The ordinance for B.Tech/B.Tech (Hons.) and M.Tech degree programmes were framed considering the examinations and valuation system would be fully web based and assuming that the results could be published before the commencement of next semester classes. But as the examination system has been changed to the conventional system, it is impossible to publish the results before the commencement of next semester classes. Also, the Controller of Examinations has suggested certain amendments in the ordinances regarding conduct of examination and malpractices. The Academic Committee also suggested some modification and additions and the same also to be incorporated in the amendment.
